FIRE SAFETY CONSIDERATIONS FOR UNIVERSAL DESIGN

Date: 07th April 2018, Saturday  
Time: 9.00am - 5.00pm
Venue: Dewan President, Level 2, PAM Centre, Jalan Tandok, Bangsar, Kuala Lumpur

SPEAKERS

Engr. Tay Hao Giang FIFIReE  
Vice President, The Institution of Fire Engineers Malaysia Branch

Fire Safety Considerations For Universal Design  
( Fire Strategy for Persons With Disabilities, Older Persons & Children)

Fire Engineer Tay Hao Giang is the Past International President and a Trustee and Board of Directors of The Institution of Fire Engineers. He is currently serving as the Vice President of The Institution of Fire Engineers Malaysia Branch. He is a very active member of the Linkefire Professional network promoting fire safety engineering knowledge and experience with all the professionals in the world. Actively involved in Malaysian Standards development for more than two decades, his technical committee have developed series of performance-based Malaysian standards for the industry.

Prof. Dato' Sri Ar. Dr. Asiah Abdul Rahim  
Department of Architecture in Kulliyyah of Architecture and Environmental Design (KAED), International Islamic University (IIUM)

Application of Universal Design In Built Environment

Prof. Dato' Sri Ar. Dr. Asiah Abdul Rahim (SSAP, OMP) is a Professor and a senior lecturer at the Department of Architecture in Kulliyyah of Architecture and Environmental Design (KAED), International Islamic University Malaysia (IIUM). She is a professional architect and also an Access Audit Consultant. She obtained her PhD from Oxford Brookes University, United Kingdom, her Bachelor of Architecture from Deakin University, Australia and Diploma of Architecture from University of Technology Malaysia. Some of her works have been published in international and regional references and articles for Proceedings of the International Conference on Universal Design in the Built Environment (ICUDB 2013 & 2011); Access Audit in Heritage Building and Public Spaces in Damakas City, Syria; Architectural Heritage study in Iran; Highlights House, Accessible Built Environment for the Elderly and Disabled in Malaysia; How to Open a Gate; and Open Buildings in Malaysia. She has presented papers locally and internationally in Malaysia, Sweden, Norway, Brunel, Germany, India, Japan, Syria, Iran, Indonesia, Switzerland, Turkey, Thailand, Pakistan, Sri Lanka, United Kingdom, Singapore and United States. She was invited as keynote speaker in several local and international conferences and symposiums.

Dr. Naziaty Mohd Yaacob  
Department of Architecture, Faculty of Built Environment, University of Malaya

Universal Design Criteria For Persons With Physical Disabilities

Naziaty Mohd Yaacob is based at the Department of Architecture, Faculty of Built Environment, University of Malaya. She was the head of two research programs: Learning from the Architectural Design Studio and Grand Challenge collaboration with Kuala Lumpur City Hall; Universal Design and Inclusive Society for Kuala Lumpur Built Environment. She is now conducting a Malaysian Research Grant Scheme (MRGS) awarded by the Ministry of Higher Education entitled Interdisciplinary Landscape and Building Design using Gender Mainstreaming and UMCID Technopreneur Fund for initiating Universal Design services and protocols.

Apart from her academic role, she is a disability advocate in Malaysia since 1999. Her contributions to disability & accessibility advocacy in Malaysia are tremendous. Speaking in seminars for Public Works Department, Penang City Council, National Planning Congress in 2017 and World Urban Forum recently. She was one of the National Council Member for the Persons With Disability Act 2008 for the first two terms, 2009-2012 and expert reference in Accessible and Universal Design for UNESCOP in 2014. She also devotes her time and energy in providing design advice, consultations, telework and research on access audits of public and private buildings and sites. She was awarded a special award for her academic work at the National Day for Disabled Persons celebration in 2014. In 2015, she founded Ziwze, currently a one-stop business entity under RM International Sdn. Bhd.

Ar. Mumtazah Mustajab  
Archispheric Sdn Bhd

Universal Design Criteria For Persons With Learning Disabilities

Ar. Mumtazah Mustajab is currently a Managing Director at Archispheric Sdn Bhd, Puchong, Selangor, and a Principal of Mumtazah Architect, Kuala Lumpur. She completed her Bachelor of Architecture from the University of Arizona, Tucson, Arizona, USA in 1990. In the year 2000, she passed her Part 0 Examination under the Board of Architect of Malaysia which qualifies her as a Licensed Professional Registered Architect. In the year 2008, she passed her Green Building Index examination which qualifies her as a GBI Facilitator.

Some of the buildings that she has designed include homes for the 4NRM Office Tower in Mt. Serdang, Universiti Malaysia Sarawak, Sime Darby Engineering Faculty in UTC Skudai, Jalan Educity Student Housing in Nusajaya, and Pasir Puteh Kurnia in Bandar Puteri Puchong. Specializing in Designing for the Special Needs, she has designed 8 Autism centers for Early Intervention Programs and 2 Autism centers for Young Adults.

Ar. Mumtazah is actively involved in NGOs such as Women's Wing, and Special Education Autistic Muslim Malaysia (SEAMM) where she promotes Autism Awareness programs and specifically the Semarak Film campaign, a campaign that parallels to the light It Up Blue campaign initiated by Autism Speaks New York.
FIRE SAFETY CONSIDERATIONS FOR UNIVERSAL DESIGN

Date: 07th April 2018, Saturday  Time: 9.00am - 5.00pm
Venue: Dewan President, Level 2, PAM Centre, Jalan Tandok, Bangsar, Kuala Lumpur

PROGRAM

08:15 Registration
09:00 Welcoming remarks by Ar. Adrianta Aziz
PAM CPD Committee Chairman
09:15 Presentation by Engr. Tay Hao Giang on
“FIRE SAFETY CONSIDERATIONS FOR UNIVERSAL DESIGN”
(Fire Safety Strategy For Persons With Disabilities, Older Persons & Childrens)
10:15 Tea break
10:45 Presentation by Prof. Dato’ Sri Ar. Dr. Asri Abdul Rahim
“APPLICATION OF UNIVERSAL DESIGN IN BUILT ENVIRONMENT”
11:45 Forum/Panel discussion
12:45 Lunch break
13:45 Performance
14:00 Presentation by Dr. Naziaty Mohd Yaacob on
“UNIVERSAL DESIGN CRITERIA FOR PERSON WITH PHYSICAL DISABILITIES”
15:00 Presentation by Ar. Mumtazah Mustajab on
“UNIVERSAL DESIGN CRITERIA FOR PERSONS WITH LEARNING DISABILITIES”
16:00 Forum/Panel discussion
17:00 End of Seminar

REGISTRATION FORM

Registration Fees
PAM / LAM / IFEM MEMBERS: RM 350
NON-MEMBERS: RM 450
STUDENT: RM 200

LAM CPD POINT: 4 POINT
IFEM CPD POINT: 6 HOURS

PAM / IFEM MEMBERS  NON-MEMBERS  STUDENT

Membership No. (PAM / LAM / IFEM / IBEM)
